

# MAURITIAN WILDLIFE FOUNDATION

Dear Supporter,

## ADOPT AN ANIMAL

The Mauritian Wildlife Foundation has introduced a new concept to raise funds for its conservation projects; you now have the possibility to adopt an animal (symbolic adoption that gives no right to the species).

The Mauritian Wildlife Foundation is a registered charity with a mission to help save wildlife from extinction in Mauritius. By supporting our animal adoption scheme you are also contributing to our conservation projects.

Six of the MWF's animal species are available for adoption; Pink Pigeon, Tortoises, Mauritius Fody, Ornate Day Gecko, Olive White-eye and Echo Parakeet.

**The animal adoption is valid for one year; the date of the adoption starts from the date the adoption is processed.**

Each animal adoption costs Rs 1000 + postage fee (Rs 100) for local post and varies between Rs 500- Rs 800 for international postages.

Please request a quote on [adoptions@mauritian-wildlife.org](mailto:adoptions@mauritian-wildlife.org)

**Every Person who adopts an animal will receive an animal Adoption Pack that contains:**

- A welcome letter
- A personalized certificate
- 1 voucher for a visit on Ile aux Aigrettes (locals only).
- An A3 poster of the animal adopted
- A MWF T-shirt or a plush toy (depending on availability).
- A MWF silicon wristband

Payment is made as a one-off payment for the whole year but you will be given the option to renew the adoption yearly, a month before the adoption expires. If you wish to change species after one year, you are welcome to do so. You can apply for the renewal or adoption via email [adoptions@mauritian-wildlife.org](mailto:adoptions@mauritian-wildlife.org), website: [www.mauritian-wildlife.org](http://www.mauritian-wildlife.org) or over the telephone with our adoptions team on +230 697 6097.

Please find enclosed the procedures to become an "adopter".

*If you are a company/school, please send us an email on [adoptions@mauritian-wildlife.org](mailto:adoptions@mauritian-wildlife.org) and we will help you find the best adapted formula for the adoption of a species.*

**Best Regards,**

**Beatrice Farla**

Fundraising Assistant
